Sir:

The first (3 ½-year) maintenance fee is coming due for payment for this patent, and it has come to our attention that the U.S. Patent and Trademark Office (“PTO”) web-site (fee payment information) indicates that small-entity payments are due. However, Applicants note that a correction of entity status, from small entity to large entity, was filed on October 20, 2004 (along with a payment deficiency). Applicants, therefore, are submitting this letter to reiterate their statement under 37 C.F.R. § 1.27(g)(2), to ensure that this information is accurate in the PTO records, and we request that the maintenance fee information be updated accordingly.

Reiteration of Statement Under 37 C.F.R. § 1.27(g)(2)

The U.S. Patent and Trademark Office is hereby notified that this application/patent is no longer entitled to small entity status.

Should there be any questions, please contact Applicants' undersigned representative. Furthermore, should any fees be due, other than the aforementioned maintenance fee, please also contact Applicants' undersigned representative for authorization.

Respectfully submitted,

Connolly Bove Lodge & Hutz LLP
